ALEKSANDRA REETZ, ADVISOR TO LTG KOUNALAKIS, HONORED FOR STUDENT-CENTERED POLICY

Sacramento, CA – The Campaign for College Opportunity recently recognized Aleksandra Reetz, policy advisor to California Lieutenant Governor Eleni Kounalakis, at their second annual Legislative Deans List Reception. Reetz was honored with ***Distinction in Student-Centered Policy Leadership*** for her efforts in informing the Lieutenant Governor’s work on the California State University (CSU) and University of California (UC) governing boards. Her policy expertise supported the Lt. Governor in protecting access to the CSU and UC, as she engaged in critical conversations on admissions changes that threatened to make California’s public universities more selective than ever before.

“Aleksandra Reetz has established herself as a highly effective policy advisor and true ally in the work to protect and increase college access and success for California students,” said Jessie Ryan, executive vice president of the Campaign for College Opportunity.

Reetz’s award was presented by University of California Regent-designate Alexis Atsilvsgi Zaragoza, at the Campaign for College Opportunity’s second annual Legislative Dean’s List Reception, a virtual event celebrating the extraordinary work of Californian legislators and staffers for their commitment to increasing college access and success, ensuring racial equity, and prioritizing higher education. She was honored alongside Assemblymember and Secretary of State Dr. Shirley Weber, Assemblymember Philip Ting (AD-19), Assemblymember Jose Medina (AD-61), and Los Angeles County Supervisor (2nd District) Holly J. Mitchell. The event hosted higher education leaders and advocates, elected officials, civic leaders, and students from across the state to honor outstanding legislative leaders for their efforts.
