Highlighted universities have been designated as 2018 Champions of Higher Education for Excellence in Transfer. Honorees are selected in categories of total ADT enrollees, percentage of transfers who are ADT earners, percentage growth, and highest percentage of transfer course pathways.

\*TMC is Transfer Model Curriculum. Analysis includes all concentrations matched to a TMC per the CSU TMC Search Site as well as potential matches to TMCs that are currently unmatched. Excluded from the analysis are all those concentrations that cannot be matched to the 36 TMCs as of December 2017.

\*CCC is California Community Colleges
